

630th MP Company

The crest of the 630th MP Company is a shield divided vertically. The left half is yellow with two red circles, and the right half is green with two red circles. Below the shield is a yellow banner with the text "630th MP COMPANY" in black.

630th MP Company

Departure Ceremony

“On February 8th a very cold, snowy night we initiated a new name for this company...*Team Maverick*, to signify the uniqueness of the situation. To merge two MP Combat Support companies together, in order to successfully accomplish two missions; Operation Iraqi Freedom and Community Law Enforcement in Central Region.”

- CPT Will McKannay

“This war is unlike any other ever fought by the brave soldiers of the United States. There are multiple enemies on multiple fronts. It is our obligation to pay the debts we owe to all the soldiers who have gone to distant lands and laid down their lives to take the war to our enemies. These enemies must be defeated, we must remain vigilant in our resolve to rid the world of the evil of terrorism and liberate the people of Iraq. Team Maverick is ready to do our part in this great and noble cause.”

“630th MP Company looks especially good today because they are especially ready. If Iraq was safe and the mission was easy there would be no need to send American Soldiers, Military Police, or 630th MP Company. America is sending the very best!”

- LTC Mark Spindler, 793rd MP Battalion Commander

“The time has come - It’s soldiering time. It sickens me that I will not deploy with you due to my change of command, but you will always be in my thoughts. Write another chapter in your distinguished history,”

- LTC Mark Spindler
